PEAK ORTHOPEDICS & SPINE POLICIES AND PROCEDURES

Welcome to Peak Orthopedics & Spine! Our Physicians and staff are looking forward to providing you with exceptional care. It is important to us that you understand our policies so that we may operate efficiently and effectively.

1. Please arrive for your appointment 10 minutes prior to your scheduled time. To access our new patient paperwork, please visit our website at www.peakorthopedics.com, click on office forms and the physician you are seeing, print out and fill out the forms and bring them with you when you come. If you are unable to do this, you will need to arrive early for your appointment and complete the paperwork.
2. Please make sure you bring a photo ID and proof of insurance with you to your appointment as well as any tests/studies/films/notes/reports you have had done pertinent to the issue we are treating. We will need this information prior to seeing you. **If you do not have this information, your appointment will be rescheduled.**
3. If your physician orders any special test (i.e. MRI, CT scan etc.), you will need to make a follow up visit to go over the results of your test. You can either make that follow up appointment when you leave the office or call and schedule an appointment when your test is complete. The Doctor usually will not go over results on the phone, so please make sure you schedule your follow up.
4. You may be under a global follow up period (generally 90 days) after surgery or a fracture. Depending on the agreement between you and your insurance, you may not be charged an office visit co-pay. You may be responsible for any x-rays, casting, equipment fittings etc. that may occur during this period.
5. If you are unable to make your scheduled appointment, please notify us as soon as possible. If we are not notified prior to your scheduled appointment time, you will be charged \$50 for a missed appointment.

FINANCIAL POLICY

1. It is the responsibility of the patient to know your coverage benefits and co-pay amounts. Peak Orthopedics & Spine is a specialist and you will pay a specialist co-pay. Please call your insurance company to obtain this information prior to your visit if you are unsure of your co-pay amount.
2. All co-pays and outstanding balances are to be paid at the time of your office visit.
3. If you are uninsured, the cost for an office visit is \$250.00 and must be paid at the time of visit. After the first visit, any follow up visits are \$50 and up depending on x-rays, casting, braces etc... and payment is due at the time of service.
4. Peak Orthopedics & Spine does not do third party billing. We will bill your health insurance only. If you are seeing us because of an auto accident, we will not bill auto insurance. We will bill your health insurance and you submit a claim to your auto insurance. If you are an uninsured patient and seeing us as a result of an accident, you will be charged accordingly and you may obtain all copies of your bills to submit to auto insurance for possible reimbursement.
5. We do not see patients on a lien basis. You will be considered self-pay and may obtain copies of your bills to submit for possible reimbursement to the party in which the claim is against.
6. If you are seeing us on a Workmen's Compensation claim, you will need to provide the following information at your visit: The Workmen's Comp carrier, the billing address, adjusters name and phone number and a claim number. This information can be obtained from your employer and you will need to have this information with you at the time of your visit. If you do not have this information, you will need to reschedule your appointment.
7. All amounts due for surgical services must be paid prior to surgery.
8. A surgical assistant may be medically necessary as decided by your physician. Please understand this assistant is necessary to provide efficiency in the operating room and is not always covered by your insurance company.

I, _____, have read and agreed to the above policies and procedures.
